God Provides Jobs:

Adam has recently returned from Mexico. Over the past 7 weeks since coming home, his future has been unsure, but Adam gave all of his concerns to the Lord. Among other things, God has provided a short-term job, which begins next week & fits in perfectly with Adam's plans for the summer!

For several years Rod has been unhappy at work. Restructuring within the company has caused an unsettled feeling. In February, Rod felt a freedom, for the first time ever, to leave that job & he immediately began to apply for other posts; he was offered a favourable redundancy package. He found a job advertised, & although it was a day past the deadline, he applied & was called for interview. A number of details miraculously lined-up for Rod. He was successful in securing the job! He can testify to God's hand on him through this whole unsettling period & employment process. YAY God!

God the Healer:

Answered prayer! Two women who Margaret met in Freeman Hospital have now had their heart transplants. Cathy is recovering well, while Wendy needs to have dialysis. We continue to pray for her complete healing, and give thanks to God for all He's doing in the lives of these people. We serve a BIG God!

No loss in the Kingdom:

Having dropped from BSc programme to MSc course, Di was initially very disappointed because she was told that without her BSc she would NOT be allowed to train new therapists in Kosovo; however, last week a member of the Board of World Federation of Occupational Therapists told her that she had been misinformed; with her current qualifications she WILL be able to train new staff! Praise God!!

Breakthrough in healing:

John's Mum has been suffering from shingles, but today is the first day she has not needed any painkillers! Also, John has finally found some meds which are helping to manage the pain in his feet without the disturbing side-effects which have plagued him recently. He has found encouragement in the following verses. “Be strong in the Lord & in His mighty power. Put on the full armour of God so that you can take your stand against the devil's schemes...” (*Ephesians 6:10-18*).

The Lord present in the midst of hardship:

Recently, Roz has been experiencing stress due to Uni & financial concerns. God has provided solutions & answers to many of her problems. Praise the Lord!

God of Restoration:

Many years ago, as a new Christian, Viv went through a very messy divorce. Throughout, she tried hard to avoid unsavoury thoughts & attitudes, but a good friend noticed some bitterness in Viv. Convicted of this sin, Viv, forgave everyone concerned, & over time, & with God's help, her attitude changed. Healing came as a process, & the process began with the step of forgiveness. Thank you, Lord, for your grace.
