

*“Come, let us tell of the Lord’s greatness;  
Let us exalt His name together.”  
(Psalm 34:3)*

4 September 2011

God’s provision:

Roz is a nursing student, but has had to take a break for about 5 months due to illness & other circumstances. As a result, she didn’t receive her bursary. But God provided for all her needs, even providing a job with just the right amount of money to cover her expenses.

Pursued by God:

Having searched for a while for a church, John feels led by God to HBC. He’s been a teacher for a long time, and loves his work, despite having taught in extremely difficult/stressful circumstances in the past. Recently he accompanied some students on a Duke of Edinburgh expedition despite feeling unwell with tooth abscess. His doc prescribed meds, which helped with the pain, but resulted in stomach complications requiring urgent hospital treatment. While still recovering on this trip, he strolled through the city; he was approached by a *Healing on the Streets* team member who recognised him from a dream which another team member had had about John the previous night! God was on his case. John was grateful for their prayers.

Answers to Prayer:

Earlier in summer John prayed for a friend to get a job, & she did!  
Following a health scare, his brother received prayer & recovered well!  
John’s own meds have been reduced and he’s feeling better! Thank you, Lord!!

God, the Sustainer of Life:

Katie’s Dad has been unwell for a long time. There have been a number of breakthroughs... Most notably, today, her parents celebrated their 40<sup>th</sup> Wedding Anniversary!!! Also, her dad has been given a place in a lovely home, where he is receiving the care he needs.

Love is the Greatest:

While in Scarborough for a few days, Arthur went to the local Baptist church. It was good to renew links with people he met a number of years ago. 1Cor 13 *“though I speak with the tongue of angels, but have not LOVE, I am a clanging cymbal”*... He was reminded that we can’t underestimate the importance of love among the Body of Christ!

Salvation:

Matt heard from Haley in the US today - her 7 year old cousin invited Jesus into her heart. To a family who have been going through a tough time recently, this is a clear sign that God is there, has always been there & is holding that family close.

After 18 years of faithful prayer from loving friends, Michael's friend gave his life to the Lord last week!!! Praise God!

God speaks through Dreams:

Terry had a dream of Jesus walking by a stream carrying an **anchor** & a **cross**. Without any prior knowledge of the dream, in quick succession 2 people, independently, gave Terry an anchor & a cross! This confirmed the promise of the dream to Terry & reinforced the fact that the Lord loves him & his always with him.

Exam success:

Rosaleen gave thanks to God for helping her daughter, Jennifer, through her exams this summer, in order to successfully complete this year of her nursing diploma!
