

Students @HBC

At HBC we want you to feel part of our church family. We are passionate about loving God and living out our faith day by day. We want to get to know you, support you and give you the spiritual input you need to grow deeper in your faith. We would love you to feel at home enough that you can take part in some of the wider range of church/community activities at HBC.

What's on for students?

LIFEGROUPS: Small groups that meet each week in someone's home to develop deeper friendships, meet new faces and to encourage one another in our faith.

LUNCHEES / SOCIALS: To get together after church and occasionally during the week to have some fun, deepen friendships, meet new faces and to encourage one another in our faith.

ADOPT-A-STUDENT: The chance to be linked up with a family / non students in HBC for food and chat throughout the year. A great way to break out of 'Student-ville' and get to know different people - we don't bite honestly!

WEEKEND AWAY (Feb): A great way to get to know some other students, have time to spend with God, get to know Him more deeply and have a shed load of fun!

Welcome to HBC! The Student Team is currently being put together but there are a few faces that you will see around and hopefully soon get to know!

Becca Mayo

Becca has been part of HBC for nearly ten years and is now the Student Co-ordinator at HBC. She was a leader of a Student Lifegroup for 2 years and now has the pleasure of heading up the team. Unfortunately, due to a career in primary school teaching all sessions led by Becca involve crayons or colouring pens!!! You have been warned (don't worry, her standards are set by 5 year olds - so no artistic talent is needed!!!)

Hannah Mayo

Hannah has the dubious pleasure of being Becca's sister and has survived living with her for a number of years. Hannah is co-ordinating the Adopt-a-Student scheme that allows students to get to know other people in the church (and get fed some decent grub!) This gives her the opportunity to do something different to her day job (she stirs paint for a living!)

Joanna Clark

Joanna has had the pleasure of working and living in Newcastle for 4 years and has been at HBC for most of that too. She is delighted to be joining the Student team this year to help with catering. She believes that hospitality is a super catalyst to forming great friendships and welcoming people into God's family, she looks forward to meeting you over lunch soon:)
